

## Thrift Shop Volunteer Program – Work to Donate

The Laughlin XL Spouses' Club will provide one base group the opportunity to volunteer at the Thrift Shop in exchange for \$200 a donation. The calendar will be filled as a first come, first serve basis. The work hours will be at a time agreed to by the Thrift Shop manager, the Laughlin XL

Spouse President, and the volunteering group POC.

Please read and sign below accepting possible tax ramifications for your Private Organization.

Private Organizations (POs) that use Internal Revenue Code 501(c)(7) for their tax-exempt status are supposed to be supported solely by membership fees, dues, and assessments. But, these groups will not lose their exempt status if they receive a limited amount of income from nonmember sources. To stay compliant, no more than 15% of the POs gross receipts can come from the public.

However, 15% clause does not apply to POs with tax exempt filed and approved by the Internal Revenue Service registered under the Internal Revenue Code 501(c)(3) or 501(c)(4).

By signing below, the representative understands the possible ramifications to their tax-exempt status with the Internal Revenue Service.
